WHO WE ARE

About M/s. Excellent Services

M/s. Excellent Services is a multi-disciplinary engineering, management and financial consultancy firm based in Karachi, Pakistan. Since its establishment in 1999, the firm has delivered end-to-end solutions across energy, oil and gas, construction, real estate, solar power, water treatment and industrial feasibility, serving clients across the whole country.

Our core strength is regulatory licensing for the petroleum sector. We are a one-window consultancy for Dangerous Petroleum Licences (DPL) from the Department of Explosives under the Petroleum Act 1934 and Petroleum Rules 1937, and we build the petrol pumps, CNG stations and chemical godowns that those licences cover.

The firm is a registered member of the Karachi Chamber of Commerce & Industry (KCCI) and the Pakistan-Afghanistan Joint Chamber of Commerce & Industry (PAJCCI). Excellent Services is a certified dealer of Bosch Germany for solar equipment and is approved by the Pakistan Banks Association (PBA) as a property valuator.

25+ years

WHAT WE DO

Core Services

DPL Licensing

New Dangerous Petroleum Licences and annual renewals: Form K (petrol pumps), Form L (bulk tanks) and Form M (chemical godowns), with Form D, MSDS files, storage plans and NOCs from the DC, TMO, Civil Defence, ANF, EPA and DIG.

CNG / LPG / Petrol EPC

Turnkey EPC projects for CNG, LPG and petrol stations, including OGRA licensing, site design, construction and commissioning.

Chemical Storage Godowns

DPL-compliant godown construction to the approved plan, and DPL-ready storage godowns on rent in Karachi.

Construction & Real Estate

Industrial, commercial and residential construction, plus property buying, selling and valuation.

Solar Energy Systems

Design and supply of residential, commercial and industrial solar systems. Authorized dealer of Bosch Germany.

Feasibility Studies

Bankable feasibility reports for power, industry, housing, manufacturing and hospitality projects.

Drug & Chemical NOCs

Licensing for drug import and registration and chemical storage, with coordination with the Ministry of Health and the Drug Authority.

Property Valuation

PBA-approved valuation of residential, commercial and industrial property and moveable assets such as vehicles and equipment.

Water Treatment & Telecom

Supply of resin, activated carbon, anthracite, garnet and filter sand, and installation of telecom towers and backup power systems.

ALSO AVAILABLE

Additional Specialized Services
